IN CASAELEGIAE DIOATUN A. D. S. MCMLXXV •

NEWCASTLE QUAE DICATUM A D S MCMLXXV •

A stone building with a large glass window and a tall chimney stack. The building is constructed from rough-hewn stone blocks. The chimney stack is a tall, tapered structure on the left side. The glass window is a large, multi-paned structure that provides a view into the interior of the building. The text "NEWCASTLE QUAE DICATUM A D S MCMLXXV •" is inscribed on the stone above the window. The building is surrounded by trees and a clear blue sky.

CANTHONÆ DICATUM A D S MCMLXXV

MARCELO DI LORNA DICATUM A. D. S. MCMLXXV

A stone monument with a Latin inscription and a statue on top. The monument is made of rough-hewn stone blocks. On the left, a tall, narrow stone pillar rises, topped with a white statue of a figure. The main body of the monument is a low, wide structure with a curved top. A white band across the top of this structure contains the Latin inscription. Below the inscription are several windows with dark frames. To the right, a decorative metal finial is mounted on a stone base. The background consists of tall evergreen trees and a clear blue sky.

• CANDELORÆ DICATUM A D S MCMLXXV •

A D S MCMLXXV

A stone bell tower with a bell and a weather vane. The tower is constructed from brick and stone. A bell is housed in a metal frame on top of the tower. A weather vane is mounted on the roof. The tower is surrounded by trees and a clear sky.
