A black and white photograph of a street scene. In the foreground, a paved road curves from the bottom left towards the right. A large, dark, leafy tree stands prominently in the center-left, its branches spreading over the road. To its right, a utility pole with several wires is visible. In the background, a row of light-colored buildings with dark roofs lines the street. A small, light-colored car is parked on the right side of the road, near the curb. The sky is bright and clear. The overall tone is historical and serene.
